COLLECTION OF SOLID WASTE & RECYCABLE MATERIALS

RFP2020-3179

Selection Committee Date: 8/26/2020

FINAL RANKING			
Committee Member Name	FCC	Waste Management	Waste Pro
Malina Colasuonno	2	3	1
Jeremy Covey	1	3	2
Don Donaldson	2	1	3
James Gorton	2	1	3
Allen "Greg" Schommer	1	3	2
Total Score	8	11	11
RANKING	1	2	2

Explanation of scoring: The rankings from the individual committee members will be added together to determine the committee's ranking of the Proposals. In this calculation, a Proposal receiving the highest ranking from a committee member shall receive one point. The second highest ranking from a committee member will receive two points. The other rankings will be scored in the same manner. After the rankings from all of the committee members have been summed, the Proposal receiving the lowest total number of points will be the committee's top-ranked Proposal. The Proposal receiving the next lowest number of points will be ranked second by the committee. The remaining Proposals will be ranked in the same fashion.
