#### COMMENTS

##### 1. PUBLIC

- Sherriff A. Adams reported that burglaries in Jensen Beach (mostly on the island) are on the rise. Make sure you are locking your automobiles. With the upcoming holidays, the sheriff's office will be staffed at the mall and making it safe to shop again this year.

##### 2. MEMBERS

- R. Rose asked what can be done about the car parked in front of Pineapple Jacks being used for advertisement. This must be a violation of the sign ordinance and is an eyesore for Jensen Beach.
- J. Clasby reported that this appears to be a current code violation and a case has been opened to investigate the issue. An update will be provided at our next meeting; however, you may notice the update prior to the next meeting in January.

##### 3. STAFF

- J. Clasby provided an update on the Church Street project. We received another round of comments from the County Engineer today at 4:50 PM. These comments have been sent to our project engineer.
