Why do you wish to serve on the Library Board of Trustees? I have been involved with libraries for much of my lifetime. My mother worked at a library; my first job in high school and college were in libraries, and I served as a trustee and chairman of the Library Board of Trustees in Mendon NY. The library is an integral part of any community; providing information sources, a platform for sharing ideas and perspectives, and a gathering place. My objective for serving is to support the continuity and growth of these functions in the Martin County area.

What, in your opinion, is the real purpose for having a public library system in the community? The purpose of the library is to: 1. Provide access to free informational and educational resources; 2. Offer support to under-served populations; 3. Promote literacy; and 4. Encourage community involvement.

EDUCATION/EXPERIENCE: A resume is recommended to be attached containing this and any other information that would be helpful to the Board in evaluating your application. Resume or letter of qualifications attached? ☒ yes ☐ no

Education: BA (Psychology); MBA (Finance)

Employment Experience: Self-employed; Gardner Financial, Inc. delivers training programs in financial analysis to the banking industry.

Other experience you feel would be helpful to the Board in making this appointment: I served as a trustee and chairman on the Board of Trustees for the Mendon Public Library. I worked with the Town Board in the budget approval process and worked to get approval for a bond to fund the building of a new library facility.

Community Experience and Affiliations: Currently a volunteer with Score, helping small businesses. Worked with various community programs including Rochester Community Boating Foundation; Honeoye Falls School District; First Presbyterian Church.
