MARTIN COUNTY CODE OF ORDINANCES AMENDMENT

Dear Community Member:

Chapter 5, Alcoholic Beverages, Martin County Code of Ordinances must be amended to include the six, recently adopted CRA Redevelopment Zoning Districts. Chapter 5 distinguishes between the sale of alcoholic beverages for on-premises consumption (licensed premises) and off-premises consumption. It also restricts the sale of alcoholic beverages for on-premises consumption within certain distances of places of worship, parks, playgrounds, schools, residential districts and individual dwellings. No minimum separation requirement applies to the sale of alcohol for off-premises consumption.

Staff is recommending that Chapter 5 be amended to identify the Jensen Beach, Rio, Old Palm City, Hobe Sound, Port Salerno and Golden Gate redevelopment zoning districts as zoning districts in which the sale of alcoholic beverages for both off-premises and on-premises consumption is allowed. Staff further recommends that Chapter 5 be amended to modify the required minimum separation between the sale of alcoholic beverages and certain uses.
