PRESENTATIONS

Agenda Item: 21-0929, Manatee Gateway Pelican Sculpture Project

Susan Kores, CRA Manager, presented the project. The artist, Ken Timblin was also on the phone to offer support, information and to answer any questions about the project.

- C. Hall – So you are looking for us to approve the additional expenditure for the pelicans?
- S. Kores – Yes, if we could do that then we could move the project forward.
- R. Kennedy – Did the Port Salerno NAC increase their support by \$4,000?

- S. Kores – No, we did not have the updated quotes in time to present to the NAC. It is always an option to go back and ask them as well.
- C. Winters – Are the pelicans going to look more like the work Ken has shown us in the presentation as opposed to the abstract drawings?
- K. Timblin – The commissioned pieces were by the water and are quite large. The seahorse is a committed piece that has kinetic parts. The turtle is more representative of the mosaic style and design. We will also be incorporating some of the glass pieces into the pelicans.
- C. Hall – Will these need to be removed in hurricane events?
- S. Kores – We are working with an engineer to advise us on this issue and will be able to report back to you by our next meeting. It might be that we just need to remove the kinetic parts.
- K. Timblin – My design will be built into the wing structures that will hold up to 90 mph winds.
- R. Sentell – Are you using the highest-grade stainless steel for this project?
- K. Timblin – Yes, I will be using 304 stainless which is not aircraft grade, but it is a high grade used in outside construction. It is a high grade of stainless.
- C. Winters – Will it look weathered as time goes on?
- K. Timblin – Typically stainless will not weather, it holds up to the elements and holds it finish very well.
- C. Winters – So you are asking for \$11,000 more from us?
- C. Hall – No, we will be authorizing \$8,000 and this concerns me. The budget for 2022 would be depleted. Can we get the NAC to contribute \$4,000 more? How far back would that set us?
- S. Kores – The next Salerno meeting is August 12th. It would put us back a month. We know how long these projects take, so if you are concerned about spending the money in 2022, we really do not have anything else going on in 2022.
- R. Kennedy – Can we motion to allocate ½ of the funds - \$4,000 with the stipulation that the NAC will contribute \$4,000 and move forward with approving the project?
- K. Storey – Yes, you can make this motion.
- C. Winters – Can we allocate the \$8,000 and ask the NAC to provide \$4,000?
- K. Storey – You may ask them for a contribution to the project if approved.
- K. Storey – I believe Mr. Kennedy has made a motion but has not received a 2nd.

MOTION

* R. Kennedy motioned to go back to the Port Salerno NAC and ask them to contribute \$4,000 for this project. If the Port Salerno NAC approves the \$4,000, knowing that we have already approved it, we will go forward with the project.

** S. Tsafarides seconded, and the motion carried UNANIMOUSLY

NEW BUSINESS

Agenda Item: 21-0925, Martin Murals Program Guidelines and Application

Susan Kores, CRA Manager presented the program.

- C. Hall – What is the size and cost of a typical mural and is \$7,500 going to cover it?
- S. Kores – According to many artists I spoke with, \$10,000 seems to be the going rate. We can encourage a private partnership as well. A lot of times the property owner will want to have the mural for the benefits and they will be contributing to the cost as well.
- S. Tsafarides – Are you going to talk with Port Sewell to give half of the money for the bridge mural in Golden Gate?
- S. Kores – That will be up to the artist who applies. They will get their private partnership or do it for \$7,500 or less. We have no intention of asking them for money. The artist is free to ask for money from AIPP.
- R. Kennedy – How will we make the public and the community aware of this program?
- S. Kores – We will utilize our website, electronic and social media, signage, our brochure, and Martin Arts Council publications.
- C. Winters – Don't we have a call to artists database?
- S. Kores – Yes, we will make sure they get the information as well.

MOTION

- * C. Winters motioned to approve the materials presented for the Martin Murals Program
- ** R. Kennedy seconded, and the motion carried UNANIMOUSLY

OLD BUSINESS

Agenda Item: 21-0958, AIPP Artwork Signage

Susan Kores, CRA Manager, presented the update.

- C. Winters – So we need to approve \$1,600 more to replace all of the signs?
- S. Kores – Yes
- S. Tsafarides – Did you get quotes from anyone else?
- S. Kores – We did not get any additional quotes since Flamingo has already constructed some of our signs and they have the design.

MOTION

- * C. Winters motioned to replace all the signs for the AIPP artwork
- ** R. Sentell seconded, and the motion carried UNANIMOUSLY

DEPARTMENTAL

Agenda Item: 21-0937, AIPP Program Updates

Susan Kores, CRA Manager, presented the updates to Bronze Seahorse, Marketing Collateral, Halpatiokee Wildlife Mosaics, Magnify Repairs, Benches in Rio, Turtle Mosaic and Stuart Beach Sea Life Mural maintenance.
