Growth and Development Trend Report For the Martin County School Board

The Interlocal Agreement for School Facility Planning was approved by the City of Stuart, the School Board of Martin County, and the Martin County Board of County Commissioners at a joint meeting on November 17, 2003 and updated on March 11, 2008. It requires that the County and City provide the School Board with an annual report on growth and development trends within their jurisdiction.

Section I of this report provides the information required in Section 2.4.3 of the Interlocal Agreement. Section II provides additional information. City of Stuart information has been added where appropriate.

At the Joint Meeting on October 21, 2020, staff was directed to include information on commercial development permitting, locations of development being planned, and information regarding assisted living facility approvals.

Except where noted, data in this report is produced by the Martin County Growth Management Department and the City of Stuart Planning Division. Inquiries should be directed to the Martin County Growth Management Department or the City of Stuart Development Department.
