NEW BUSINESS

Agenda Item: 20-1099, AIPP Annual Program Document Review

Susan Kores, CRA Manager presented the changes/edits for the AIPP Program Document.

R. Kennedy – Were the changes made to The Artist Network a result of responses from artists?

^{**} Indicates a vote

- S. Kores It was not, we wanted to make sure we have a better pool of artists and secure more information from the artists.
- R. Kennedy I do not see where we emphasize local artists for our Public Art projects.
- S. Kores I think it is important to define "local artists". As I see it, we include 5 surrounding counties as local to Martin County. We can include "local" as one of our criteria for scoring the artists' submissions on a case by case basis.

MOTION

- * R. Kennedy motioned to approve the AIPP Annual Program Document as presented by staff
- ** M. Readling seconded, and the motion carried UNANIMOUSLY

Agenda Item: 20-1108, Public Art Inventory and Assessment Report

Susan Kores, CRA Manager presented the Public Art Inventory and Assessment Report. This is a report that we update annually, and we will come back to this committee at our next meeting with the budget numbers.

STAFF UPDATE

The Rio CRA will be obtaining 6 more benches along A1A. Staff previewed the new designs and the new locations with the Public Art Committee. Staff also shared an update on the Cummings Library Art Project.

- M. Palazzo It is my opinion that this committee should be responsible for maintaining the 6 additional benches.
 We should add these to our inventory and oversee these to eliminate confusion in regard to our inventory and Rio neighborhood inventory.
- R. Kennedy I agree that we should centralize the maintenance on these benches in Rio.
- N. Terrell Along the line of including these benches in your inventory, keep in mind that the Martin County library system owns quite a few art pieces. How far do you want to go with adding all of these to your inventory?
- S. Kores We should analyze these on a case by case basis and make sure our budget will sustain any new art inventory.

Decision was made to put this topic on hold and bring this to the November 12, 2020 Rio Neighborhood Advisory Committee for their opinion.
