OLD BUSINESS

Agenda Item: 22-0080, AIPP Project Updates

Jana Cox, CRA Development Specialist presented the update highlighting Florida Wildlife Mosaics repairs, Seahorse Donation, Pelicans in the Manatee Gateway, Magnify repairs, Martin County Office of Tourism Scavenger Hunt (heart keepsakes), and the Rio Benches and Bike Racks.

- B. Capps – I see that there is a permit involved with the Seahorse?
- J. Cox – Yes, we will need a right-of-way use permit.
- C. Hall – Regarding Magnify, what is his responsibility if this happens again?
- S. Kores – The contract says he will maintain the structures for 5 years.
- C. Winters – For the hearts scavenger hunt, will we be able to find them this time?
- S. Kores – You can go to the Discover Martin website to find out about the scavenger hunt and the Martin County Arts & Culture Trail.
- N. Turrell – We have some hearts that will be hidden outside the cultural arts center downtown. Other prizes are available on that website when you sign up for the Arts & Culture Trail.
- B. Capps – Is there an effort to try to include art in each of the CRA's?
- S. Kores – Art in Public Places is a county program as opposed to a CRA program. It is desirable to have public art in the CRA's, but not a requirement. We want the art to be displayed in places where most people have a chance to see them.
- B. Capps – I'm not sure how many CRA's were represented in the update.
- S. Kores – Explained how many of the CRA's have public art. It is a mix.

Agenda Item: 22-0081, AIPP Marketing Update

Susan Kores, CRA Manager presented the update highlighting our all new high-quality photos, new brochure, retractable banner, and new signage.

- R. Kennedy – Can you add more about the murals on the brochure since the program is new?
- S. Kores – We can try to work it in.
- C. Winters – What is the "+" sign that appears throughout the brochure?
- S. Kores – Just elements that our contractor used.
- C. Hall – The "+" sign doesn't really add anything to it.
- S. Kores – We will ask for something else.
- C. Winters – On the green page, maybe we could add another dimension and not so much sea life. I would like to see Strike Force and a bit more variety.
- B. Capps – Magnify is a duplicate. We could get rid of one of those and add another picture.
- C. Winters – We have 3 Gary Gresko pictures.
- S. Kores – I think we should add benches.
- C. Winters – Something from Nadia and Mia would be nice, our local artists represented.
- S. Kores – These are good suggestions. Do you want to see it again in November?
- C. Hall – I would like to see the final before you print it.
- C. Hall – I think the banner should have at least one or two photos of our art.
- S. Kores – The problem is that only those pictures get exposure.
- S. Kores – Would you want one or two pictures or a collage?
- C. Hall – You could move the MC logo down and move the QR code down to make room for pictures.
- C. Winters – I don't like the "+" sign and the extra space could be used for a photo.

COMMENTS

1. PUBLIC

- K. Kerwin - I am just curious looking at the pictures of Hobe Sound Beach. It does not look like it is the completed installation. I don't see the babies.
- S. Kores – Everything is there. I just think it is a different view you are seeing on that picture.
