- 1. PUBLIC
  - K. Kerwin I live in Lost Lake in Hobe Sound and SMRU does not provide good water. Why are
    we not doing anything about this?
  - J. Clasby Do you live in the CRA?
  - K. Kerwin I lived on Plutus and I moved out of the CRA because of the train coming through. Alas 6 years later and the train has not come and my property value went up 30% on Plutus. Nonetheless, what can we do about the water?
  - J. Clasby If you share your contact information with me, I can get you in touch with someone at SMRU.

#### **PRESENTATIONS**

Agenda Item: 21-0931, Hobe Sound CRA Project Updates James Clasby, CRA Project Manager presented the update.

- M. Borkowski Where is the affordable housing project and how many lots?
- J. Clasby Explained the location and that it is 18 lots.
- T. Mikesh Who bought this property?
- K. Kerwin The community chest bought this property 10-15 years ago.
- Commissioner Jenkins SMRU is working to convert Hobe Sound to water and sewer while making it
  affordable. We did try sending out a survey and did not get much response. People are not going to
  commit to anything until they know how much it will cost. This is one of my priorities as Commissioner,
  to get water and sewer to Hobe Sound while working with SMRU.
- B. Capps Providing water and sewer to each of the 6 CRA's is a priority.
- J. Clasby If you would hold your questions, I will be presenting an update on utilities next.

Agenda Item: 21-0939, Utilities in Hobe Sound CRA

James Clasby, CRA Project Manager presented the update:

Commissioner Jenkins – Keep in mind that the water quality in Hobe Sound is better than some of the
other communities that have lower elevation. Rio, Old Palm City and Port Salerno are going to take
priority over Hobe Sound.

B. Capps - 3 of the CRA's border the river and Hobe Sound does not.
