#### **COMMENTS**

- 1. PUBLIC
  - J. Angelico Please note that the sheriff's office has changed their email addresses. The address is @mcsofl.org. Crime is trending with juvenile activity, but Rio parks seem to be relatively quiet. Be on the lookout for white collar crimes, scams, phone and computer hacks.

- R. Cook There is a program called "Florida Today" that airs every Friday at noon. Last month they
  talked about impact fees in The Villages. The last time impact fees were revised was in 2018. If the
  impact fees are revised, our property taxes will go up and services will be reduced.
- J. Preast Introduced Cindy Hall, CRA Board Chair and welcomed her to the meeting. About those
  impact fees, Krista Storey, Senior Assistant County Attorney, updated the CRA board on these fees.
  You can watch the meeting online at <a href="www.martin.fl.us">www.martin.fl.us</a>. Congratulations to Mike Readling for 150
  homes built by Habitat in Martin County.

#### **PRESENTATIONS**

#### Agenda Item: 21-0991, OD2A Project

Michelle Miller, Human Services Administrator and Joanna Greene, Human Services Supervisor presented information on Martin County's Human Services project aimed at reducing opioid abuse and overdoses in Martin County. At the end of the presentation, discussion ensued regarding what the residents of Rio could do to partner with this project.

- J. Pinkham I take care of the sign at the Rio Civic Center. I would be happy to list any meetings or notices you want to post and a number to call for more information.
- D. Harsh That is an excellent idea. This way a friend or family member can call for someone who is in trouble.
- R. Cook The public outreach is good, but we need someone with boots on the ground going out to talk with people.
- T. Dolvin Do you have any statistics on rehab centers? Are they protected federally?
- M. Miller I know that the rehab centers must be zoned properly.
- J. Greene We visit the facilities and we have a close relationship with the staff.
- J. Preast The Rio Civic Club works closely with the community. We could put up flyers at the soup kitchens and the thrift stores. We were unaware that our zip code had so many opioid overdose incidents.

#### **NEW BUSINESS**

Agenda Item: 21-0992, Artwork Donation

Jordan Pastorius, CRA Senior Project Manager presented an update on the seahorse donation.

- D. Harsh Is the seahorse still in Clearwater?
- J. Pastorius Yes, the sculpture is in Clearwater.
- J. Preast Is the piece going to require maintenance before it is installed?
- J. Pastorius It is my understanding that the piece has been restored.
- C. Hall The sculpture has been coated and ready for installation.

#### **OLD BUSINESS**

Agenda Item: 21-0993, Infill Sewer

Jordan Pastorius, CRA Senior Project Manager presented the update.

- J. Preast Can someone follow up with Jolynne Jensen, NE Ixora Drive regarding the sewer connection for her private road? I understand P. Keathley is out of town and no one has gotten back to her.
- A. Guzi I called utilities as well and have heard nothing back.
- J. Pastorius I will follow up with the utilities department and get back to Ms. Jensen.
- T. Dolvin When will the bids go out for Rio South?
- J. Pastorius I believe bids will go out in September with a 3-month timeframe for construction.

J. Preast – The construction is going very well so far and is causing no issues.

#### Agenda Item: 21-0994, Staff Update

Jordan Pastorius, CRA Senior Project Manager presented an update on the benches and bike racks in Rio as well as the status of the property acquisition with the potential to purchase the rest of the properties on the south side of Charlotte Street.

#### **COMMENTS**

- 1. PUBLIC none
- 2. MEMBERS
  - J. Gaieski What is going on with the broken-down blue building next to the Rio Civic Center? There seems to be a lot of boats, trucks and trash on the property.
  - J. Preast This is the old Small World Learning Center building. It is a code enforcement issue, but it is all totally legal as far as I can tell.
- 3. STAFF none
