NEW BUSINESS

Agenda Item: 23-0292, Trash Cans in the CRA Areas

Susan Kores, CRA Manager presented the CRA Board information regarding the installation and maintenance of trash cans in the CRA areas. There are two departments responsible for trash can maintenance in the county: the Field Operations Division (part of the Public Works Dept.) and the Parks Department. Field Ops is responsible for trash cans within Stormwater Treatment Areas (STAs) and on some streets (e.g., Mapp Road). The Parks Department is responsible for trash cans at the public beaches and in all county parks. Additionally, some local groups (e.g., the Jensen Chamber of Commerce) have elected to assume responsibility for trash cans along certain roads within the county.

- S. Tsaftarides Could you reach out to Keep Martin Beautiful, maybe they can come up with another idea?
- R. Sentell When the contact with Waste Management comes up, could it be updated to add the CRA trash cans?
- S. Kores When the time comes, we will reach out to the Rio Village to negotiate adding trash cans.
