QUASI-JUDICIAL PROCEDURES

EXECUTIVE SUMMARY:

Quasi-Judicial procedures apply when a request involves the application of a policy to a specific application and site. It is a quasi-judicial decision. Quasi-judicial proceedings must be conducted with more formality than a legislative proceeding. In quasi-judicial proceedings, parties are entitled - as a matter of due process to cross-examine witnesses, present evidence, demand that the witnesses testify under oath, and demand a decision that is based on a correct application of the law and competent substantial evidence in the record.
