BACKGROUND/RELATED STRATEGIC GOAL:

On Tuesday, May 7, 2019, commissioners from Martin, Palm Beach, Glades, Hendry and Okeechobee Counties (the Counties) held a public meeting to discuss local government interests as stakeholders in the management of Lake Okeechobee (the Lake). Although our Counties may not agree on every concern or every solution to water resource matters in South Florida, the Counties do agree on several principles for management of Lake Okeechobee. These commonalities are detailed in a letter to express our solidarity to the US Army Corps of Engineers on those particular issues.
