### BACKGROUND/RELATED STRATEGIC GOAL:

Palm City Business Park first received site plan approval on August 5, 2004 for an 87,200 sq. ft. commercial plaza. On February 22, 2007 a second phase of development of the plaza was approved bringing the total sq. ft. of the commercial site to 99, 976 sq. ft. On July 15, 2008 the project received revised master site plan approval for the first two phases plus an additional third phase that was to include a 23,213 sq. ft. office building. Along with the revised master site plan approval the owner,

Palm City Associates, LLC provided a Second Amended Unity of Title for the entire project.

The third phase of the project has never been developed and the development order has expired. The first two phases which received final site plan approvals have been constructed and all associated infrastructure is 100 percent complete.

Palm City Associates, LLC wishes to develop Phase III as a standalone project. A partial release of the Second Amended Unity of Title is necessary for that to occur. No development can take place on Phase III without a new development application and approval through the County development review process.

The following supporting materials are attached to this agenda item:

Resolution releasing Phase III from the Second Amended Unity of Title.
