A. Code Enforcement Statistics - Fiscal Year 2017

Of the 7,231 code enforcement investigations, 4,045 of these investigations were directly related to alleged violations of the Martin County Code(s). Over the course of the fiscal year, the Magistrate ultimately issued compliance orders which could result in an accruing fine/lien upon property for 77 of the code enforcement actions.

During fiscal year 2017 a total of 15 fine reduction recommendations were forwarded from the Code Enforcement Magistrate to the Board of County Commissioners in accordance with Martin County Code and the average fine reduction equated to approximately 7.15% of the face value of the fine.
