BACKGROUND/RELATED STRATEGIC GOAL:

A. Code Enforcement Statistics - Fiscal Year 2017

During fiscal year 2017, the Code Enforcement Division responded to approximately 7,231 Requests for Service (Investigations) of which approximately 97.8% (7,073) were resolved prior to the close of the fiscal year. Over this same period of time, the Code Enforcement Division resolved a total of

7,424 Code Enforcement cases.

Of the 7,231 code enforcement investigations, 4,045 of these investigations were directly related to alleged violations of the Martin County Code(s). Over the course of the fiscal year, the Magistrate ultimately issued compliance orders which could result in an accruing fine/lien upon property for 77 of the code enforcement actions.

During fiscal year 2017 a total of 15 fine reduction recommendations were forwarded from the Code Enforcement Magistrate to the Board of County Commissioners in accordance with Martin County Code and the average fine reduction equated to approximately 7.15% of the face value of the fine.

This Fine Reduction Stipulation and Agreed Recommended Order involves a parcel located at 8096 SE Wren Avenue, Hobe Sound, Martin County.

On July 15, 2015, the Code Enforcement Magistrate entered an Order Finding Violation against Daniel M. The property is currently going through probate. Pursuant to a Petition for Summary Administration that has been filed in the Martin County, Florida Public Records, the Respondent Daniel M Knowles has been deceased since October 9, 2013, and his son who was also living on the property , Jerome Knowles, is also deceased having passed away on August 13, 2014.
