### BACKGROUND/RELATED STRATEGIC GOAL:

The following facts were provided from Relation Insurance Services, Martin County's (County) third party administrator for our self-insured program TRICO: Mr. Hawthorne was a passenger in a semi-tractor trailer that was driven by Travis Wiggins. They were traveling on SR 714, when Mr. Wiggins

failed to negotiate a sharp curve. The tractor over turned. The Estate made a demand pursuant to Florida Statutes § 768.28 alleging the County was at fault for failing to implement or post a reduction of speed at the curve. TRICO and the Estate has agreed to settle the matter for \$200,000. The amount of the settlement will be fully funded by TRICO.

A public hearing on this proposed settlement is required by the Procedure for TRICO Settlements adopted by the Board. Any proposed settlement of a TRICO case involving an amount in excess of \$5,000 must be considered at a public hearing of the Board prior to TRICO finalizing the settlement. Following the hearing, County staff will notify the appropriate parties that the Board has completed the process required by the Procedure for TRICO Settlements, which includes a public hearing allowing for comment by any members of the public as well as comment by any member of the Board.

### **ISSUES:**

Pursuant to the Procedure for TRICO Settlements adopted by the Board, the Board is required to conduct a public hearing concerning the proposed settlement by TRICO.

### **LEGAL SUFFICIENCY REVIEW:**

Attorney Garrison M. Dundas was assigned as counsel for this case negotiated the settlement of this matter. It is the recommendations of TRICO and Mr. Dundas that this settlement is in the best interests of the County.
