TITLE:

MARINER VILLAGE SQUARE REQUEST FOR 6TH PUD AMENDMENT AND REVISED MASTER AND PHASE 2 FINAL SITE PLAN APPROVAL

EXECUTIVE SUMMARY:

Request for the 6th PUD amendment and revised master and phase 2 final site plan approval for Mariner Village Square, an approximate 20-acre commercial PUD consisting of 4 phases of development. Phase 1 is an existing office building, the proposed phase 2 consists of a 3-story residential storage facility and the development infrastructure. Included is a request for a Certificate of Public Facilities Reservation.

DEPARTMENT: Growth Management

PREPARED BY: Name: Peter Walden Title: Principal Planner

REQUESTED BY: Lucido and Associates, Morris Crady, AICP

PRESET:

PROCEDURES: Quasi-Judicial

BACKGROUND/RELATED STRATEGIC GOAL:

Requesting approval of the sixth amendment to the Mariner Village Square PUD and a concurrent revised master and phasing plan and a revised phase 2 final site plan. Mariner Village Square is an existing Commercial PUD situated on approximately 20 acres located on the west side of US Highway 1 across from the Mariner Sands Drive intersection. The property has a future land use designation of General Commercial and has a Planned Unit Development (PUD) zoning designation. Included with this application is a request for a Certificate of Public Facilities Reservation.

The project originally received approval in 1986. A final site plan for Phase 1 was obtained in 1988 and Phase 1 was completed with the construction of a two-story bank/office building and infrastructure improvement including left- and right-hand turn lanes from US Highway 1.

The PUD agreement has been amended 5 times but no additional improvements to the property have been constructed.

The proposed 6th amendment revises the phasing plan. The residential storage facility will become phase 2 and the current phase 2, the assisted living facility, will become phase 4.

The phase 2 final site plan consists of a 115,000 square foot 3-story residential storage building that incorporates RV and boat storage on the north side of the building. Phase 2 also encompasses the construction of the access drive and infrastructure for the entire site.

ISSUES:

There are no unresolved issues related to the application.

LEGAL SUFFICIENCY REVIEW:

Because this request involves the application of a policy to a specific application and site, it is a quasi -judicial decision. Quasi-judicial proceedings must be conducted with more formality than a legislative proceeding. In quasi-judicial proceedings, parties are entitled - as a matter of due process - to cross-examine witnesses, present evidence, demand that witnesses testify under oath, and demand a decision based on a correct application of the law and competent substantial evidence in the record.
