PROCEDURES: Quasi-Judicial

BACKGROUND/RELATED STRATEGIC GOAL:

This is a request by Palmetto Hobe Sound - SE Federal Highway LLC, for approval of a plat,

consistent with the approved final site plan of a two-lot commercial subdivision of approximately 3.15 acres with shared infrastructure consisting of upland preserve and shared access. The site is located on the east side of US-1 approximately 1,400 feet north of SE Bridge Road within the Hobe Sound CRA. Included with this application is a request for a Certificate of Public Facilities Exemption.

Proposed is the creation of two commercial lots to accommodate proposed commercial development on both lots and supporting infrastructure. The site is undeveloped and contains rare and unique upland habitat, so the site plan and plat of the subdivision include the establishment of upland preserve area separately from the commercial lots.

The Hobe Sound Retail Subdivision development was approved on February 12, 2020, via a Minor Development Order. The plat of this development shall be consistent with the approved final site plan and with the requirements of Division 21, Article 4, Land Development Regulations, Martin County, Fla.

The Local Planning Agency (LPA) was not required to hear this plat application and final action on this application is required by the Board of County Commissioners (BCC) in a public meeting pursuant to Table 10.5.F.9., Section 10.5.F., LDR, Martin County, Fla. (2019).
