BACKGROUND/RELATED STRATEGIC GOAL:

Requesting plat approval for the Mariner Village Square Plat III, PUD. Mariner Village Square is an

existing Commercial PUD situated on approximately 18.4 acres located on the west side of US Highway One at the intersection with Mariner Sands Drive. The property has a future land use designation of General Commercial and has Planned Unit Development (PUD) zoning designation.

The project originally received approval in 1986. A final site plan for Phase One was obtained in 1988 and Phase One was completed with the construction of a two-story bank/office building and infrastructure improvements including left and right-hand turn lanes from US Highway One. The proposed plat will re-plat existing platted property to make it consistent with the approved Sixth Amendment to the PUD Zoning Agreement, revised master site plan and Phase 2 final site plans.

The Local Planning Agency was not required to hear this application and final action is required by the Board of County Commissioners at a public meeting pursuant to Table 10.5.F.9, Section 10.5.F. LDR Martin County (2019)
