**TITLE:**  
**UPDATE TO THE HISTORIC ARCHITECTURAL SURVEY**

### EXECUTIVE SUMMARY:

Update to the Historic Architectural Survey - Members are to review the existing survey and discuss the Criteria for Evaluation and Methodology. All surveys conducted in association with the Division of Historical Resources, Florida Department of State, utilize the criteria for listing of historic properties in the National Register of Historic Places as a basis for site evaluations. In this way, the survey results can be used as an authoritative data bank for those agencies required to comply with both state and federal preservation regulations. Section 4.582.A.7 of the Historic Preservation Ordinance 1109 states that one of the duties of the Historic Preservation Board is to perform periodic updates to the historic architectural survey.
