TITLE:

CRA PROJECT UPDATE

EXECUTIVE SUMMARY:

This is a monthly review of active projects and introduction of new projects, if applicable.

BACKGROUND/RELATED STRATEGIC GOAL: This provides the Agency with a CRA-wide, global view of the status of active projects and a "placemark" to introduce any new projects. The Board needs to be informed as to the status of all active CRA projects each month giving members the current information they need when talking with the public and their communities.
