Award Executive Summary

This application is to request \$146,920 in Section 5339 Bus and Bus Facilities Formula Funding (Lapsing). Martin County is a designated recipient (recipient letter attached in Related Documents file). The total amount authorized to the Port St. Lucie UZA is \$435,909.

The PSL UZA FY23 Section 5339 Split letter is attached. The required FDOT STIP page 898 FM# 4346611 is attached. The FDOT TDC approval letter is attached.

This grant will support the purchase of one replacement ADA accessible, light-duty cutaway gasoline bus.

Martin County will follow 3rd party procurement policies as defined in C4420 (Third Party Contracting Guidance). Martin County will ensure contractors procured will not be on the FTA Suspension and Debarment list. The end date of this application is 03/30/2035.

Martin County will ensure that all vehicles purchased are accessible, purchased from an FTA approved Transit Vehicle Manufacturers (TVM) and reported to FTA within 30 days after contract is signed. Martin County will check the current listing of Transit Vehicle Manufacturers (<https://www.transit.dot.gov/regulations-and-guidance/civil-rights-ada/eligible-transit-vehicle-manufacturers>) to ensure each is listed as a certified TVM in compliance with FTA regulations. Martin County will ensure contractors procured will not be on the FTA suspension and Debarment list.

In addition to FTAs Buy America Act, which requires that the steel, iron, and manufactured goods used in an FTA-funded project are produced in the United States (49 U.S.C. 5323(j)(1)), the Build America, Buy America Act (BABA) (Public Law 117-58. div. G 70914(a)) now requires that construction materials used in infrastructure projects are also produced in the United States. Refer to terms and conditions in FTAs Master Agreement Section 15. The BABA requirement applies to this grant, in addition to the Buy America Act, except to the extent a waiver of either requirements may apply.

Project Environmental Findings

Finding: Class II(c) - Categorical Exclusions (C-List)

Class Level Description

Class II(c) consists of projects that do not have a significant environmental impact on the human or natural environment and are therefore categorically excluded from the requirement to prepare an environmental assessment or an environmental impact statement. FTA requires a sufficient project description to support a CE determination. The project may require additional documentation to comply with other environmental laws.

Categorical Exclusion Description

Type 07: Acquisition, installation, rehabilitation, replacement, and maintenance of vehicles or equipment, within or accommodated by existing facilities, that does not result in a change in functional use of the facilities, such as: equipment to be located within existing facilities and with no substantial off-site impacts; and vehicles, including buses, rail cars, trolley cars, ferry boats and people movers that can be accommodated by existing facilities or by new facilities that qualify for a categorical exclusion.
