**RE: Address Verification for 3101 SE Federal Highway, Stuart, FL 34994 –
Rezoning, Project No. D069-002.**

Dear Mr. Aguilar,

Our firm has completed a review of the attached list of addresses in connection with the applicable distance-based requirements for the above-referenced rezoning application. After confirming the measurements, we can certify that all listed addresses fall within the required 500-foot radius. Additionally, our review confirms that there are no other addresses or properties within that radius that have not already been accounted for.

If you have any questions or need further documentation or clarification, please contact me at rvolpe@holtzmanvogel.com or 850-354-5124.

Sincerely,

Robert C. Volpe
